

CJEAP Report for the 2018 CASEA AGM

At the 2017 CASEA AGM, we reported that we were exploring the possibility of publish French language articles. We are pleased to announce that Dr. Elaine Dulude of the University of Ottawa has agreed to serve as co-editor (Francophone). Dr. Dulude has been promoting the journal among francophone colleagues, and we hope to accept submissions in French in the near future. In anticipation, we have been working on translating the website materials including automated forms.

In addition, this year, we have:

- Migrated all back issues (181 issues) onto the OJS site;
- Stabilized the website issues and domain redirects;
- Published 3 issues and 1 special issue
 - Including 16 articles, 19 book reviews, and 5 editorials

Since January 2018, we have received 26 submissions. The reports from 2017 include all of the archiving activity and do not reflect typical activity for the journal. As well, editorial desk rejections are not recorded as rejections in the OJS system. We are working to get better data on submission, acceptance, and rejection rates.

Over the next year, we will be working on the following:

- Investigating indexing options for the journal (e.g. SCOPUS)
- SSHRC Aid to Scholarly Journals (delayed again to September 2018)
- Publication statistics (improved data on the acceptance rates, citations, views, etc.)
- Publication schedule (moving toward a regular publication schedule)
- Special issues (two special issues planned)
 - The CJEAP Second Annual Review of Books. Edited by Augusto Riveros
 - Special Issue for Canadian Cases: Issues and Challenges of Educational Administrators' Work Intensification. Edited by: Patricia Briscoe and Catherine Whalen

Finally, we would like to thank all of our colleagues for doing the important work of reviewing. It is always difficult to find willing reviewers, but as the journal attracts more submissions, this will be a significant challenge. Please go to cjeap.ca and register as a reviewer if you have not already done so. As well, thank you to our layout editor, Charlene Robertson, and copyeditor, Erin Magee, for their terrific work on the journal.

Respectfully submitted,
Paul Newton & Dawn Wallin (Co-editors, Anglophone)
Eliane Dulude (Co-editor, Francophone)
Augusto Riveros (Book Review editor)
