

Annual Report 2018

Second Vice-President, CASEA

It has been a pleasure to work with the executive of CASEA on your behalf, again this year. My work has included:

- organizing some of the festivities for the conference, including the book launch and the annual meeting lunch
- involvement in developing the program with Shelleyann Scott
- attending the program development meeting in Calgary with Shelleyann
- writing the initial couple of drafts of the forfeiture policy, which was revised and fully articulated by the executive of CASEA for your consideration
- doing “other duties as assigned”, but if you’re considering this role, in the future, the biggest tasks are all related to the conference planning itself.

I have been impressed with the quality of the conference submissions. CASEA members are doing valuable work, in a great many areas relevant to educational administration, across Canada. I am considerably more aware of this now than I was two years ago, and better recognize the importance of “us” as we go forward.

Thank you for the opportunity to serve.

Sincerely,

Tory Handford
