

Where ideas work

**Assistant Deputy Minister, Education Programs Division
Ministry of Education
Victoria**

Your inspirational leadership, clarity of vision and strategic planning will assist the province in supporting our students to achieve academic and personal success

The Ministry of Education has a renewed and clear mandate—to enable every learner to maximize their potential—which fuels our passion and vision that B.C. has educated citizens who thrive in a rapidly changing world. The Ministry of Education provides leadership for the K-12 education system through governance, legislation, funding, policy and standards. The Ministry's role in helping to meet the purpose of the school system involves co-governing the education system with boards of education, working closely with a network of partners, including independent school authorities, professional education organizations, public libraries, First Nations representatives, provincial ministries and agencies and the private sector.

The Assistant Deputy Minister, Education Programs Division is responsible for leading the division and designing and implementing key education standards including provincial curriculum, assessments, and related programs. This role requires deep expertise and leadership in the public sector along with a keen knowledge of how to drive public policy and achieve positive results. The successful candidate will have a related degree (master's preferred) and extensive recent, relevant experience including senior leadership and building effective working relationships with stakeholders, colleagues, and employees

You are a leader in change management, an exceptional communicator and collaborator and a champion of the unique learning styles of every student. You demonstrate and represent the progressive face of education in British Columbia.
