

Where ideas work

**Ministry of Education  
Victoria**

**Executive Director, Curriculum and Assessment  
\$105,700.02 - \$132,200.22 annually**

The B.C. Ministry of Education places student success at the centre of its mandate by continually focusing on improving results and ensuring equity of access and outcomes for all 640,000 students. The ministry's mandate is to develop the "Educated Citizen," which is defined as the intellectual, human, social, and career development of students.

The Executive Director, Curriculum and Assessment, is responsible for the initiation, strategic direction, planning, development and implementation of provincial K-12 curriculum and student assessment programs and policies impacting all school-aged students in B.C. The position leads strategies and actions associated with the implementation and continuous improvement of the K-12 Curriculum and Assessment framework and programs.

The BC Public Service is committed to creating a [diverse workplace](#) to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

**Qualifications for this role include:**

- Master's Degree in Education, Educational Measurement, Psychology, or related discipline, and extensive recent, related experience in leadership positions; or equivalent combination of education and experience.
- A minimum of five years' experience in a senior management capacity (preference may be given to candidates with more than five years of experience) in the following areas:
  - Leading strategic public and stakeholder engagement priorities in the public sector or large corporate organization.
  - Developing and implementing policies using a collaborative, team-based approach.
  - Dealing with politically sensitive and provincially significant issues.
  - Leading, coaching, mentoring and supervising staff; including directing a diverse workgroup of employees including goal setting, performance management and succession planning.
- Preference may be given to applicants with experience teaching in the K-12 system or experience working with teachers and other educators.
