ORGANIZATIONAL PROFILE

BCIT's campuses are located on the unceded traditional territories of the Coast Salish Nations of Sk̓wx̓wú7mesh (Squamish), səlilwətaʔ (Tsleil-Waututh), and xwməθkwəyəm (Musqueam).

Founded in 1964, BCIT is one of British Columbia's largest post-secondary institutions, providing its students with cutting edge education and practical credentials, broad and relevant skills. Each year, approximately 18,000 full-time students and 30,000 part-time students, study with BCIT at one of its diverse campus locations: Burnaby Campus, Downtown Campus, Marine Campus, Aerospace Technology Campus, Annacis Island Campus, and the Satellite Locations. BCIT's international partnerships span training, education and research initiatives in South America, Central America, East Asia, and Eastern Europe.

ABOUT THE ROLE

The Canada Research Chairs Program (CRCP) offers eligible Canadian degree-granting institutions the opportunity to nominate outstanding researchers in areas that will further the institution's strategic research plan and enable them to maximize their contributions.

As an eligible postsecondary institution, BCIT will be nominating an individual, full-time Tier 2 Canada Research Chair in Polytechnic Learning and Teaching who will be funded through CRCP and BCIT, and supported by BCIT to ensure the necessary resources and infrastructure.

Reporting to the Director, Learning & Teaching Centre, the Tier 2 Canada Research Chair in Polytechnic Learning and Teaching will be an excellent emerging researcher who has demonstrated research creativity and innovation, and the potential to achieve international recognition for their research within the next five to ten years within the field.

This is an incredible opportunity for an energetic, interdisciplinary, and emerging expert in Polytechnic Learning and Teaching. The preferred candidate will hold a PhD in Education, or a related field, with established international, academic and industry connections; demonstrated by a commitment to the field, sector, and research excellence. The preferred candidate will have exceptional interpersonal and communication skills with the ability to inspire collaboration and innovation across a dynamic public sector, post-secondary environment.

CONTACT DETAILS

Harbour West Consulting believes equity, diversity, and inclusion are essential for the organizations we serve to achieve the business goals they strive for. We believe that everyone – no matter their gender, racialized identity, ethnicity, sexual orientation, age, ability, religion, political beliefs, family status, socioeconomic status, citizenship status, or Indigenous status – should have equitable access to jobs and opportunities. We strive to ensure the recruitment process unfolds in a fair, transparent, timely and open manner to include individuals previously underrepresented or discouraged from participating.

Should you be interested in learning more about this exciting opportunity with BCIT, please contact Harbour West Consulting at 604-998-4032 or info@hwest.ca. We will respond to all who express interest.
