

Where ideas work

**Ministry of Children and Family Development
Multiple locations, BC (Hybrid)**

Flexible work options are available; this position may be able to work up to four (4) days at home per week subject to an approved telework agreement.

There are currently two (2) temporary opportunities available. A permanent appointment may result from these temporary appointments.

**Learning Manager
\$74,300.00 - \$105,000.04 annually**

Learning & Development is the designated resource for ministry specific learning for front-line staff at the Ministry of Children and Family Development (MCFD). Learning & Development leads learning activities in the creation and delivery of learning programs for MCFD staff, supporting them to perform specific ministry work.

The Learning Manager provides strategic advice and consultation on the development of learning programs, performance management and the organizational development of the ministry, with a focus on training designed to address individual performance and to improve organizational outcomes and meet business objectives. This position is responsible for the design, development, implementation and ongoing management of learning materials to address specific learning priorities within the various ministry job streams.

Qualifications for this role include:

- Bachelor's or master's degree in a related field (such as Education, Adult Education, Adult Learning and Teaching); OR an equivalent combination of education and/or experience.
- Minimum 2 years' continuous experience in the full process of developing training.
- Minimum 2 years' continuous experience analyzing client needs, and planning learning solutions using a wide range of learning technologies.
- Minimum 2 years' experience facilitating multiple working groups of subject matter experts to design, develop and deliver quality learning products.

Preferences may be given to:

- Applicants that have direct experience working in learning within the Health and Human Services sector.
- Candidates with public sector procurement and financial management.
- Candidates with experience with online development tools.
